

We have an internship for everyone

Find out more about our internship
opportunities for this summer
and the coming winter semester!

Our mission

T.T.T – Tierra, Techo, Trabajo APS is a Social Promotion Association founded in 2019 in Agrigento, southern Sicily, with a clear mission:

**to make the city more lively,
resourceful, and dynamic
for its inhabitants.**

From the outset, T.T.T. has been committed to fostering an inclusive community by transforming underused public spaces into vibrant community hubs, while welcoming students and graduates from all over the world to share their perspectives and engage with the local context through meaningful international work experience.

Each year, T.T.T. collaborates with more than 40 universities and hosts over 100 trainees across a wide range of fields, welcoming them not only into its own projects and offices, but also into a network of established partner organizations throughout the city.

Graphic Designer

Join our creative team in Agrigento, Sicily, and gain hands-on experience in graphic design, branding, and digital communication. As a Graphic Design Intern, you will help shape the organization's visual identity by creating compelling visual content for online platforms and communication campaigns. You'll collaborate with our communication team in a dynamic, multicultural environment, applying your skills to real projects while developing your artistic and technical expertise.

Your responsibilities:

- Design original and engaging visuals for social media, websites, presentations, and promotional materials.
- Apply professional design principles to create consistent and impactful visuals.
- Support the development of branding elements and ensure coherence across all communication platforms.
- Use Adobe Photoshop, Illustrator, and InDesign for digital content creation.
- Edit and retouch images and prepare optimized files for online use.
- Contribute creative ideas during brainstorming sessions and assist in executing campaigns.
- Stay updated on current design, branding, and social media trends.
- Manage multiple projects effectively, adapting to feedback and meeting deadlines.

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Ideal profile and skills

We are looking for a candidate who can turn ideas into visually compelling digital content. You should be able to work independently on design projects, follow brand guidelines, adapt content for different digital platforms, and incorporate feedback effectively. The ideal candidate has proficiency with Adobe Creative Suite, an understanding of UI/UX principles, and the ability to contribute creative solutions for social media, web, and branding projects while meeting deadlines and maintaining high-quality standards.

Ideal background:

- Ongoing studies or degree in Graphic Design, Visual Communication, Fine Arts, Multimedia Design, related fields.
- Self-taught designers with a strong portfolio demonstrating professional-level work are also encouraged to apply.

Technical skills:

You should have a solid foundation in design tools and principles, with the ability to create visually cohesive and high-quality work.

- Proficiency in Adobe Creative Suite (Photoshop, Illustrator, InDesign).
- Knowledge of Figma, Adobe XD, Sketch, or similar tools is a plus.
- Strong understanding of typography, color theory, and layout.
- Familiarity with digital formats, resolutions, and export specifications for web and social media.
- Basic video editing skills (Premiere Pro, After Effects) are an advantage.
- Understanding of UI/UX design principles and brand identity creation.

Your experience:

Previous experience is not required but will be considered a strong asset.

- Portfolio showcasing diverse digital design projects.
- Previous internship, freelance work, or academic design projects demonstrating design capabilities.
- Experience working with client briefs and brand guidelines.

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You have at least a B1 level in English.

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Videomaker

As a Videomaker Intern, you will create engaging video content that showcases projects, achievements, and the stories of young people involved in international and community-based initiatives. You'll work on the full production process — from concept and storyboard development to filming and post-production — ensuring a consistent and compelling visual identity across all platforms.

Your responsibilities:

- Plan, shoot, and edit high-quality videos using professional equipment and software such as Adobe Premiere Pro, DaVinci Resolve, or CapCut.
- Develop storyboards and visual concepts that clearly and emotionally convey the organization's mission and values.
- Produce storytelling videos that highlight social impact and European or local initiatives.
- Adapt content and formats to suit Instagram, TikTok, YouTube, and other social media platforms.
- Create reusable templates and video formats that future interns or collaborators can easily adapt.
- Apply filming, lighting, and pacing techniques to enhance visual quality and narrative flow.
- Collaborate closely with the communication team to align tone, message, and visual identity.
- Manage production schedules effectively, delivering content on time and maintaining creative standards.
- Stay updated on current social media trends and visual storytelling techniques.

Ideal profile and skills

We are looking for a passionate and detail-oriented individual with a strong interest in video production and storytelling. You should have solid experience in shooting and editing, using professional cameras and post-production tools such as Adobe Premiere Pro, DaVinci Resolve, or CapCut. A background or curiosity in photography and cinematic language is highly appreciated, as is an awareness of the latest video trends for social media. Excellent communication and teamwork skills are essential, as well as the ability to stay organized, adapt quickly, and manage multiple tasks in a dynamic environment.

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You have at least a B1 level in English.

Note: Only shortlisted candidates will be contacted for an interview. We thank you for your interest.

Social media manager

Are you passionate about social media and ready to use your creativity and strategic skills for a cause that matters? Then you may be a perfect fit for our Social Media Manager role as an intern in Agrigento, Sicily! You will help shape our online presence, engage a growing community, and make a real impact through digital storytelling. This is your chance to grow your skills while doing meaningful work in a beautiful setting!

Your responsibilities:

- Develop and implement creative social media strategies aligned with the organization's goals and brand identity.
- Manage and curate engaging editorial content, including text, images, and videos, for multiple social media platforms.
- Monitor social media channels, handle community interactions, and respond thoughtfully to comments and messages.
- Track, analyze, and report on performance metrics to improve engagement and reach.
- Plan, execute, and monitor social media campaigns (e.g. Facebook, Instagram...).
- Collaborate with the communications and marketing team to ensure cohesive messaging and consistent branding.
- Stay up to date with digital trends and emerging tools to enhance the organization's online presence.

Ideal profile and skills

We are looking for a creative and motivated individual with an interest in social media and digital communication. You should have a solid understanding of how different platforms work and how to tailor content to each audience. Strong communication skills—both written and verbal—are essential, along with the ability to think creatively and analytically. Familiarity with tools like Canva and basic video editing software is a plus. You should be organized, adaptable, and eager to learn, capable of managing multiple tasks while working collaboratively within a team. Above all, you should bring curiosity, positivity, and a proactive attitude to everything you do.

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You have at least a B1 level in English.

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Web Design & Website Development

We are offering an internship opportunity with one of our renowned partners and managers of T.T.T.'s communication department, in Agrigento, Sicily. This internship offers hands-on experience, mentorship, and the opportunity to contribute to impactful digital projects in a creative and innovation-driven environment.

As a Web Design & Website Development Intern, you will support the creation and maintenance of websites for both our partners and T.T.T.'s internal communication and commercial activities. The role focuses primarily on the development of showcase websites, simple e-commerce pages, and the visual implementation of web projects in close collaboration with graphic designers and project managers. You will work in a multicultural environment and gain practical experience in digital communication, website creation, and visual content implementation.

Your responsibilities:

- Develop and maintain showcase websites using WordPress
- Support the creation of simple e-commerce websites on WordPress or Shopify
- Implement website layouts, pages, and content based on materials provided by graphic designers
- Coordinate with graphic designers to ensure visual consistency and brand identity across all projects
- Upload and organize website content, images, and multimedia assets
- Customize themes, templates, and page layouts according to project needs
- Ensure websites are responsive and user-friendly across desktop and mobile devices
- Support website maintenance, updates, and content revisions
- Contribute to digital projects developed for both our partners and T.T.T.

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Ideal profile and skills

We are looking for a creative and detail-oriented candidate who is passionate about web design, digital communication, and creating intuitive and visually appealing websites. You should enjoy working collaboratively with designers and project managers while contributing to real-world digital projects.

Ideal background:

- Ongoing studies or degree in Web Design, Digital Communication, Graphic Design, Multimedia, Marketing, or related fields
- Students in Computer Science or Web Development with a strong design interest are also encouraged to apply
- Self-taught candidates with demonstrable skills and a portfolio are welcome

Technical skills:

- Familiarity with WordPress
- Basic knowledge of HTML and CSS
- Familiarity with Shopify is considered a plus
- Strong eye for layout, aesthetics, and visual consistency
- Basic knowledge of graphic design tools is an advantage
- Understanding of responsive design principles

Soft skills

- Excellent written and spoken English (minimum B2 level)
- Creativity and attention to detail
- Strong organizational and time management skills
- Ability to work collaboratively in a team environment
- Motivation, initiative, and eagerness to learn and grow

Portfolio showcasing websites, visual projects, or digital content is highly appreciated

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You have at least a B2 level in English.

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Digital Marketing

We are offering an exciting opportunity to join our team as an intern at one of our renowned partners in Agrigento, Sicily. Join the dynamic communication team and gain hands-on experience in digital marketing, content strategy, and online campaign management. As a Digital Marketing Intern, you will help strengthen our organization's digital presence by developing, implementing, and analyzing marketing strategies across multiple platforms. You'll collaborate with a multicultural team and apply your creativity and analytical skills to real projects that make a social impact.

Your responsibilities:

- Plan, execute, and optimize digital marketing campaigns across Google Ads, Facebook, LinkedIn, and other channels.
- Conduct keyword research and manage SEO/SEM strategies using tools like SEMrush, Ahrefs, or Moz.
- Track and analyze web traffic and campaign performance through Google Analytics 4 or similar analytics platforms.
- Manage and update website content using WordPress, Drupal, or equivalent CMS.
- Create and schedule engaging social media posts using Hootsuite, Buffer, or Sprout Social.
- Develop and distribute email marketing campaigns via Mailchimp, HubSpot, or SendGrid.
- Support A/B testing initiatives and contribute to conversion funnel optimization.
- Produce compelling ad copy, social media text, and newsletter content.
- Collaborate with the design team to produce visuals for digital campaigns using Canva or Adobe Creative Suite.
- Stay informed on the latest digital marketing trends, tools, and best practices.

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Ideal profile and skills

We are looking for a data-driven, creative, and proactive candidate who is passionate about digital communication and growth marketing. You should be able to manage multiple projects, analyze performance metrics, and translate insights into actionable improvements.

Ideal background:

- Ongoing studies or a degree in Marketing, Communications, Business Administration, or related fields.
- Certifications in Google Ads, Google Analytics, or Social Media Marketing are a plus.

Technical skills:

- Proficiency with Google Ads, Facebook Ads Manager, LinkedIn Campaign Manager.
- Familiarity with SEO/SEM and web analytics tools.
- Basic knowledge of HTML/CSS for landing page optimization.
- Experience with email marketing and social media management tools.
- Basic graphic design abilities using Canva or Adobe tools.

Your experience:

Previous experience is not required but will be considered a strong asset.

- Previous internship or project experience in digital marketing.
- Portfolio or examples of successful campaigns are an advantage.

Soft skills:

- Excellent written and verbal communication in English (min. B2).
- Creative and analytical thinking.
- Strong organizational and multitasking abilities.
- Adaptability in a fast-paced, team-oriented environment.
- Results-driven and detail-oriented approach.

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You have at least a B1 level in English.

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Digital Marketing, Content & Technology

We are offering an exciting opportunity to join our team as an intern at one of our partner locations, a dynamic and innovative digital environment focused on online growth, content strategy, and technology-driven solutions. This internship provides hands-on experience in the development and scaling of a digital project, with a strong focus on content creation, visibility, and the use of modern technologies such as Artificial Intelligence.

Main tasks

Content Development & Digital Growth

- Support the creation and organization of informative digital content for online audiences
- Contribute to improving the visibility of the platform through structured and high-quality content
- Assist in developing resources aimed at students, professionals, and companies in the technology sector

SEO & Content Marketing

- Learn and apply the fundamentals of SEO in a real startup context
- Contribute to content strategies aimed at increasing organic traffic
- Support the structuring of content based on search intent and user needs

Data Analysis & Automation

- Use digital tools to analyze data and generate reports
- Support automation processes for large-scale content production
- Work with structured data, categories, and relationships typical of programmatic SEO (pSEO)

Artificial Intelligence Applications

- Use AI tools to support research, writing, and content organization
- Assist in the implementation of AI-driven workflows
- Explore AI applications in programming, data structuring, and knowledge synthesis

Digital Product Development

- Collaborate on the development of digital resources and web-based tools
- Contribute ideas for improving user experience and content scalability

Ideal profile and skills

Ideal profile

- Students or recent graduates in fields such as Computer Engineering / Electronic Engineering, Computer Science / Informatics, Digital Marketing / Digital Communication (or similar) interested in digital startups, online marketing, and technology
- Curious, motivated individuals eager to understand how digital projects grow and scale
- Strong interest in innovative and tech-driven environments
- Willingness to learn through practical experience

Required Skills

- Familiarity with Artificial Intelligence tools (e.g. ChatGPT, Gemini, Claude, or similar)
- Ability to use AI for research, writing, and information organization

Optional Skills (Plus)

- Basic programming knowledge (any language is highly appreciated)
- Interest in web development or digital products

Soft Skills

- Interest in startups and online business
- Analytical thinking and organizational skills
- Creativity, initiative, and a proactive mindset
- Positive attitude and enjoyment of dynamic work environments

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You have an intermediate level (B1) of both French and either English or Italian

What we offer

- Access to digital tools and project platforms
- Training in content marketing and SEO
- Flexible and dynamic work environment typical of a digital startup
- Work in a highly international office in Agrigento's city centre

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

History and Tourism

We are offering an exciting opportunity to join our team as an intern at one of our renowned touristic partners in Agrigento, Sicily. This internship is ideal for students or graduates who are passionate about history, tourism, and cultural heritage. You will gain hands-on experience in the tourism sector while exploring the rich history and landmarks of Agrigento.

Main tasks

Management of Incoming Flows on Site

- Monitoring traffic at entry points.
- Coordinating with ticketing staff.
- Assisting in visitor crowd management.

Tourist Guidance and Support

- Guiding tourists through different areas and providing cultural and historical context.
- Responding to tourist inquiries and offering assistance.
- Ensuring visitors comply with site regulations.

Front Office Management and Paperwork

- Front Office Management and Paperwork

Ideal profile and skills

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You have an intermediate level (B1) of both French and either English or Italian

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Social Promotion

We are offering an exciting opportunity to join our team as an intern at our social library “Biblioteca Sociale Villaseta”, a social and cultural space dedicated to civic engagement, education, and community building.

This internship takes place within an environment where learning, inclusion, social interaction and foster civic engagement and community unity are at the core of all activities. Interns will contribute to initiatives that promote cultural exchange, active participation, and community development.

Main tasks

- Engage with local residents to assess community needs, build trust, and promote inclusivity.
- Plan and deliver inclusive activities that encourage cultural exchange, education, and social interaction across all age groups.
- Organize and coordinate events by managing logistics, ensuring smooth execution, and supporting participant well-being.
- Design and teach beginner-level English lessons using accessible, interactive methods that build confidence.
- Promote activities through creative outreach strategies, including social media and documentation of outcomes.
- Facilitate dialogue and interactions that strengthen relationships and foster mutual understanding within the community.

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Ideal profile and skills

Ideal profile

- Students or recent graduates interested in social promotion, education, community work and international cooperation
- Strong interest in civic engagement and inclusive practices
- Motivation to work with diverse groups of people, especially children and teenagers.
- Positive, open-minded, and proactive attitude

Relevant Study Fields

- Social Sciences / Sociology
- Education / Pedagogy
- Communication / Media Studies
- International Relations / Development Studies

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You have an intermediate level (B1) of both French and either English or Italian

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Human Resources

Recruitment

We are looking for an HR Recruitment Intern to support our team in Agrigento, Sicily, attracting and selecting talented individuals for various roles within our organization. This role is ideal for someone who enjoys working with people, has strong communication skills, and is interested in talent acquisition within an international environment.

Your responsibilities

- Assist in the development and execution of recruitment strategies.
- Support the entire hiring process, from job posting to candidate selection.
- Screen resumes and conduct initial candidate interviews.
- Coordinate interviews and communicate with potential candidates.
- Maintain job listings and manage recruitment channels.
- Help implement employer branding initiatives to attract top talent.
- Collaborate with the HR team to improve recruitment processes.

Ideal profile and skills

Ideal Candidate Profile

- Strong communication and interpersonal skills.
- Enjoys engaging with people and working in a team.
- Interested in talent acquisition, recruitment, and HR management.
- Organized and proactive with attention to detail.
- Comfortable using digital tools for recruitment and HR operations.

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You have at least a B1 level in English.

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

HR Administration

Main tasks

HR Administration & Program Support

- Assist in processing and organizing HR documentation related to internship programs.
- Maintain and update intern records within HR databases and tracking systems.
- Support administrative tasks related to attendance monitoring, agreements, and internal documentation.
- Organize HR files, digital archives, and internal documentation systems.
- Assist in preparing onboarding materials and internship guidelines.
- Support communication and coordination between HR and departments hosting interns.

Recruitment & Internship Monitoring

- Track internship applications across recruitment platforms (Erasmus portals, universities, social media).
- Maintain datasets related to applications, placements, and intern distribution.
- Monitor recruitment trends such as applications per platform, university, or country.
- Assist in preparing reports on recruitment activity and internship program participation.

HR Data Analysis & Reporting

- Consolidate HR and recruitment data from different sources.
- Analyze HR operational data to support internal reporting and decision-making.
- Prepare summaries and reports on internship program activity and performance.
- Ensure data accuracy and consistency within HR datasets.

Dashboards & Data Visualization

- Assist in creating and maintaining Power BI dashboards for HR reporting.
- Support the visualization of recruitment and internship program metrics.
- Contribute to improving HR data monitoring and reporting tools.

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Intern Experience & Quality Monitoring

- Support the design and distribution of intern satisfaction surveys.
- Assist in analyzing feedback and identifying areas for program improvement.
- Contribute to reports summarizing intern experience and program outcomes.

Ideal profile and skills

We are looking for a motivated and detail-oriented candidate interested in gaining hands-on experience in HR administration, data analysis, and internship program management. The ideal candidate is organized, analytical, and comfortable working with both administrative tasks and data.

Ideal background

- Ongoing studies or degree in Human Resources, Business Administration, Management, or related fields
- Students with an interest in both HR operations and data-driven decision-making are encouraged to apply

Technical skills

- Good knowledge of Excel or Google Sheets
- Basic understanding of data analysis and reporting
- Familiarity with Power BI or similar data visualization tools is a plus
- Ability to manage and organize structured data
- Comfortable working with digital tools and databases

Soft skills

- Strong organizational skills and attention to detail
- Analytical mindset with the ability to interpret data
- Good communication and teamwork skills
- Ability to manage multiple tasks and meet deadlines
- Proactive attitude and willingness to learn

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You have at least a B1 level in English.

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Trainee Experience and Community Resources

The Trainee Experience & Community Resources Coordinator plays a key role in supporting the overall experience of interns during their stay. We strive to offer guidance and assistance to ensure that the living arrangements are safe, respectful, and conducive to a positive internship experience.

This role focuses on collaborating with interns to help them settle in, navigate their accommodation setup, and find support when challenges arise. The coordinator will be a key point of contact for arrival, departure, and any practical matters related to shared living spaces.

Main tasks

Accommodation Coordination

- Help assign interns to their apartments before arrival
- Welcome them upon arrival and provide basic guidance about their living space and surroundings
- Organize check-ins and check-outs with a friendly, informative approach
- Encourage a shared understanding of how to keep the accommodation clean and functional
- Perform basic cleanliness and condition checks to support a good living environment

Intern Support & Collaboration

- Be available as a point of contact for interns if accommodation or interpersonal issues arise
- Clarify responsibilities around shared spaces, cleaning, and mutual respect (House rules)
- Support interns in navigating practical matters (e.g. small repairs, communication with landlords/service providers if applicable)
- Assist with conflict resolution when needed, working in a spirit of fairness and cooperation

Communication & Presence

- Respond to messages via the intern WhatsApp line during working hours (and occasionally outside of hours if urgent)
- Maintain clear, friendly, and respectful communication with interns
- Communicate recurring issues or concerns to HR if needed

Ideal profile and skills

Ideal Candidate Profile

- Strong interpersonal skills and a positive, solution-oriented attitude
- Respectful and culturally aware when dealing with young people from diverse backgrounds
- Organized, proactive, and good at keeping track of multiple tasks
- Able to set boundaries while remaining helpful and supportive
- Fluent in English (other languages are a plus)

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You have at least a B1 level in English.

Our Approach

We believe that the housing experience during an internship is a shared responsibility. While we do our best to assist and guide, interns are expected to contribute by keeping the space clean, reporting any issues, and being considerate housemates. The coordinator is there to support, not to serve, and to help ensure a respectful, functional, and welcoming environment for everyone.

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Educational and Social Support

We are offering an exciting opportunity to join our team as an intern at one of our esteemed social inclusion partners in Agrigento, Sicily. This internship is ideal for students or graduates who are passionate about education, psychology, and social engagement. You will gain hands-on experience in supporting vulnerable groups while making a meaningful impact on people's lives.

Main tasks

Support to Educators and Psychologists

- Accompany educators and psychologists during individual and group sessions with children, adolescents, and families.
- Observe professional practices and contribute to note-taking, preparation of materials, and follow-up activities.
- Assist in creating a supportive environment for participants during interviews and meetings.

Workshop Design and Facilitation

- Collaborate in the design of workshops for disadvantaged children and adolescents, focusing on self-expression, teamwork, and communication.
- Help animate and lead creative, educational, and recreational activities that address current social issues.
- Adapt activities to the needs of participants, fostering inclusion and active participation.

After-School Support

- Provide assistance to children and young people with Specific Learning Disabilities (DSA) and Attention Deficit Hyperactivity Disorder (ADHD).
- Support homework, study skills, and organizational strategies adapted to individual needs.
- Encourage motivation, autonomy, and self-confidence in the learning process.

Work with Vulnerable Groups

- Participate in activities aimed at the social inclusion of people with disabilities and developmental difficulties.
- Assist in recreational, educational, or rehabilitative programs for children with special needs.

Cross-Cutting Responsibilities

- Collaborate with the hosting team to plan and evaluate activities.
- Promote intercultural dialogue and bring a European dimension to local initiatives.
- Contribute to communication and dissemination activities (e.g., documenting experiences, sharing results, preparing short reports).

Ideal profile and skills

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You have an intermediate level (B1) of both French and either English or Italian

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Educational and Therapeutic Support

We are offering an exciting opportunity to join our team as an intern at one of our esteemed partners, a multidisciplinary center focused on neurodevelopment, autism, family-centered care, and inclusive education based in Agrigento, Italy. This role offers practical experience working alongside professionals delivering high-quality educational and therapeutic services that promote learning, inclusion, and developmental growth.

Main tasks

Work alongside educators, psychologists, and therapists during:

- Individual and group educational interventions
- Cognitive Behavioral Therapy (CBT) sessions
- Interventions based on ABA and ESDM models

Organizational and Logistical Support

- Prepare educational and therapeutic materials
- Set up and support activities in therapy rooms and gym spaces
- Maintain order and organization of environments at the end of activities

Educational and Inclusive Activities

- Support social skills groups and autonomy training
- Participate in recreational, artistic, and inclusive cooking workshops
- Assist in inclusive sports activities and introductory sports programs
- Support activities related to arts and music
- Contribute to specialized after-school programs for students with Specific Learning Disabilities (DSA)
- Participate in summer educational programs

Observation and Data Collection

- Observe behaviors, interactions, and participation
- Support data collection and completion of monitoring and observation forms

Methodological Learning

- Introduction to ABA and ESDM approaches
- Observation of interventions focused on behavior, emotional regulation, and autonomy development

Multidisciplinary Teamwork

- Collaborate with educators, psychologists, speech therapists, and psychomotor therapists
- Observe professional consultations and team meetings

Ideal profile and skills

Ideal profile

- Students or recent graduates in Education Sciences, Psychology, or related fields
- Students or graduates in Social Work / Social Services with specific training or prior experience in neurodevelopment, disability, or special education
- Strong interest in educational and rehabilitative contexts
- Motivation to learn through observation and hands-on support
- Good relational, communication, and teamwork skills
- Sensitivity toward inclusive and person-centered approaches

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You have an intermediate level (B1) of both French and either English or Italian

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Cultural Mediation

We are offering an exciting opportunity to join our team as an intern at one of our esteemed social inclusion partners in Agrigento, Sicily. This internship is ideal for students or graduates who are passionate about cultural mediation, social work, and community engagement. You will gain hands-on experience in the field of migration and integration while making a meaningful impact on people's lives.

Main tasks

Reception and Integration Support

- Assisting with the reception and orientation of migrants.
- Providing support in navigating local services and resources.
- Helping to foster a welcoming and inclusive environment.

Social Inclusion Activities

- Supporting the management and organization of cultural and educational events
- Assisting in the development of programs aimed at improving migrants' well-being
- Engaging with the community to promote intercultural dialogue

Administrative and Logistical Assistance

- Helping organize workshops and informational sessions.
- Collaborating with local organizations and institutions.
- Preparing reports and documentation related to social intervention.
- Monitoring and evaluating the impact of our activities.

Ideal profile and skills

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You must have an intermediate level (B1) of both French and either English or Italian
- You must have at least a B1 level in English

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Nursery & Early education

We are offering an exciting opportunity to join our esteemed partner, at two different locations, a traditional nursery/preschool and a bilingual, American-inspired nursery/preschool. This internship is ideal for students or recent graduates who are passionate about early childhood education, bilingual learning, and child development. Interns will gain hands-on experience in a structured environment, actively supporting children in their daily learning and routines.

Main tasks

Daily Support in Classroom Routine

- Assist teachers during children's arrival and reception.
- Support transitions throughout the day (playtime, meals, hygiene routines, rest time).
- Help supervise lunch and snack breaks, ensuring safety and proper behavior.
- Assist with basic hygiene tasks under staff guidance.

Participation in Didactic Activities

- Support teachers during educational activities, including early literacy, numeracy, and themed lessons.
- Contribute to creative sessions such as drawing, painting, crafts, and sensory play.
- Assist during music, dance, and singing lessons, encouraging participation.

Workshop Support

- Participate in afternoon workshop sessions held twice a week (e.g., "cooking in English," creative labs).
- Help prepare materials and support children during hands-on activities.
- Assist teachers in managing small groups during workshop rotations.

Support for English-Language Immersion

- Reinforce English exposure by using simple vocabulary and phrases during routine tasks.
- Encourage children to use English naturally during play and guided activities.
- Collaborate with the native English-speaking teacher during bilingual sessions.

Collaboration with Educational Staff

- Work closely with educators and teaching assistants in both nursery and early
- childhood groups.
- Observe and learn age-appropriate educational strategies used by professionals.
- Follow guidance from supervising teachers to ensure consistency in behavior management and routines.

Child Observation and Engagement

- Help monitor children's participation, behavior, and well-being during activities.
- Encourage positive social interactions and support children who need extra guidance.
- Assist in creating a safe, welcoming, and structured classroom environment.

Ideal profile and skills

Ideal profile

- Studies in Education, Early Childhood Education, Child Development, Psychology, Pedagogy, Social Sciences, or related fields.
- Good communication skills in English (around C1).
- Comfortable working with multiple age groups in both nursery and early childhood settings.
- Willingness to participate in afternoon workshops once/twice a week.
- Open to learning different pedagogical approaches and supporting bilingual learning practices.

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Business Data & Client Operations

We are offering an exciting opportunity to join our team as a Data Management Intern with one of our partner organizations in Agrigento, Sicily. This is a unique chance to gain hands-on experience in insurance data processing, client support, administrative tasks, and digital communication. Working closely with a professional team, you'll be involved in managing client information, preparing insurance quotations, and contributing to the creation of analytical reports that guide strategic decisions.

Main tasks

Data Management and System Optimization

- Consolidate and structure insurance data from multiple companies into a unified system, enabling monthly tracking with integrated alert and deadline monitoring.
- Design and implement data management processes to ensure accuracy, consistency, and accessibility across all operational activities.
- Identify and deploy tools that improve data organization, reporting efficiency, and scalability of internal systems.

Portfolio Segmentation and Development

- Segment the client portfolio by profile, industry, and product type to support targeted sales strategies and campaign execution.
- Identify cross-selling opportunities within the existing portfolio to increase product penetration (e.g. home, life, protection policies).
- Generate actionable insights from data to support portfolio growth and prioritization of commercial initiatives.

Communication and Workflow Structuring

- Establish standardized communication processes to ensure consistent, traceable, and centralized client interactions across channels and teams.
- Optimize coordination between insurance companies and the sales network to eliminate duplication, redundant communication, and improve operational efficiency.

Operations and Back Office Management

- Maintain and update client, policy, and transactional data within internal systems.
- Monitor policy lifecycles, including renewals, deadlines, and administrative workflows.
- Ensure completeness and consistency of insurance and accounting documentation.

Performance Monitoring and KPI Framework

- Define and implement KPIs to measure portfolio performance, operational efficiency, and sub-agent productivity.
- Develop reporting tools and dashboards to enable continuous performance tracking and decision-making.
- Translate data into measurable indicators to support business planning and performance optimization.

Ideal profile and skills

Ideal background

- Ongoing studies or a degree in Law, Economics, Finance, Business Administration, or related disciplines
- Basic understanding of accounting, business organization, or contract law is considered an advantage
- Strong computer literacy (Microsoft Excel, Word, database management, email communication)
- Analytical mindset with the ability to interpret data and prepare reports

Technical skills you bring

- Experience with database management systems.
- Ability to interpret data and prepare clear reports.

Your experience

- Excellent communication skills (written and verbal).
- Detail-oriented and highly organized.
- Analytical mindset with problem-solving abilities.
- Service-oriented approach and professional demeanor.

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You have at least a B1 level of English.

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

International Cooperation

As an International Cooperation Intern at Tierra Techo Trabajo (TTT), you will play a key role in expanding our network of partners involved in advocacy and international cooperation. This internship offers hands-on experience in international relations, advocacy, and strategic partnership development. You will work closely with our team to identify potential collaborators, engage with stakeholders, and support the growth of our initiatives.

Main tasks

- Conduct research to identify potential partners, including NGOs, governmental agencies, and international organizations. Analyze potential partners' missions and goals to assess alignment with TTT's objectives.
- Assist in preparing communication materials and outreach strategies. Facilitate initial contact and follow-up with potential partners.
- Support the development of partnership proposals and agreements. Collaborate with the team to organize meetings, workshops, and events with partners.
- Contribute to the planning and execution of advocacy campaigns. Assist in drafting policy briefs, reports, and other advocacy documents.
- Maintain and update databases of partners and stakeholders. Provide administrative support, including scheduling meetings and preparing necessary documentation.

Ideal profile and skills

Internship requirements

- You are able to join us in Agrigento for at least 4 months
- You have at least a B1 in English
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint).
- Currently enrolled in or recently graduated from a degree program in International Relations, Political Science, Development Studies, or a related field.

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

What we offer

What You'll Gain

- Hands-on experience in international cooperation and partnership management.
- Opportunity to enhance research, project management, and advocacy skills.
- Mentorship from experienced professionals in the field of international relations.

Skills and Experience Acquired

- **Research and Analytical Skills:** gain proficiency in conducting targeted research, analyzing data, and assessing partner compatibility in the international cooperation and advocacy sector.
- **Communication and Interpersonal Skills:** develop communication skills through drafting proposals and outreach materials while building interpersonal skills through team collaboration and external stakeholder engagement.
- **Project Management:** acquire hands-on experience in project management by supporting advocacy campaigns and partnership initiatives, handling multiple tasks in a fast-paced environment.
- **Understanding of International Cooperation:** deepen your knowledge of international cooperation, advocacy strategies, and the operations of NGOs and international organizations. Gain insights into policy development and social justice advocacy

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Architecture

Located in Agrigento, Sicily, TTT is offering Erasmus+ internships in the field of architecture, providing hands-on experience through its extensive network of industry partners. Interns have the opportunity to work on real projects, exploring areas such as urban planning, sustainable design, and architectural innovation. With a focus on blending creativity and technical expertise, the program offers a collaborative environment where interns can develop their skills and gain insight into the evolving world of architecture.

Position Description

We are looking for an intern to join our architecture team. This role is ideal for a motivated and creative individual eager to gain hands-on experience in architectural design and planning. The internship offers the opportunity to apply theoretical knowledge to real-world projects, develop technical skills, and collaborate within an interdisciplinary engineering and design environment.

Your responsibilities:

- Assist in the development of architectural concepts for residential, commercial, or public projects.
- Support space planning and layout design to create functional and aesthetically appealing environments.
- Contribute to the creation of technical drawings, 3D models, and visual renderings.
- Participate in project workflows, from initial design to final presentation.
- Apply architectural fundamentals to solve real-world design challenges.

What we offer

- A hands-on learning experience in a professional architectural environment.
- Exposure to real-world projects and creative problem-solving.
- A collaborative and dynamic workplace with opportunities for professional growth.
- The chance to work on diverse architectural projects and enhance your portfolio.

Ideal profile and skills

Internship requirements

- You must be eligible for the Erasmus+ program
- You are able to join us in Agrigento for at least 4 months
- You have at least a B1 level in English.
- Studying or recently completed a degree in Architecture, Urban Planning, or a related field (preferred but not required).
- Basic knowledge of architectural design principles, space planning, and construction methods.
- Familiarity with architectural software such as AutoCAD, SketchUp, Revit, or similar.
- Strong attention to detail and a good sense of spatial design.

*Note: Only shortlisted candidates will be contacted for an interview.
We thank you for your interest in our organization.*

Community resources

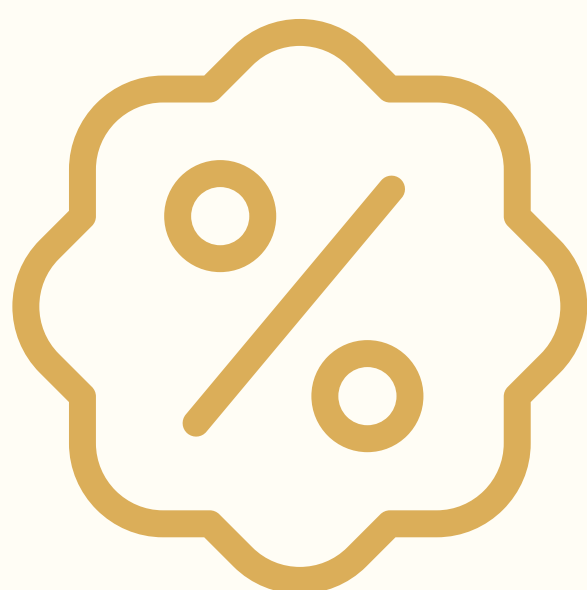

Italian Lessons

We will support your integration with the local community by overcoming the language barrier! Take the chance to follow our weekly Italian courses - beginner or intermediate level - enrich your CV, and get talking to locals!

Administrative Assistance

In order to make your stay as smooth as possible, we offer administrative assistance whenever you need. We will help you connect to local traineeship and volunteering opportunities, and support you through the entire process!

Discounts at Local Shops and Bars

To help you blend into the city and to support the local economy of Agrigento, we collaborate with local restaurants, bars and shops so that we can offer reduced prices on food, drinks and more!

Cultural Days

Cultural Days are special community events organized by TTT and other local organizations. The aim is to foster cultural exchange, build connections and a sense of belonging to the community among our interns!
